Found it! I had sent this to Scott and asked him to forward it to you. I've discussed this case with Scott and he is aware that the order is ready to close out.

Subject: Closing out compliance order - Lazy J Tavern case

Scott, please forward this form to Rhonda for processing.

Our CAA Order should be closed out. The Respondent complied with the Order on 6/30/15. A total of 945 cubic yards of asbestos waste was cleaned up as a result of our Order.

Thanks,
